

Supervisor Training Program

Offered by Heart in Balance
Oakland, CA

**You're ready to grow as a professional and
become a clinical supervisor!**

Heart in Balance, a low-fee, community-based counseling center in North Oakland, offers an online training program for those interested in becoming MFT Supervisors.

Commitment: 1 year, Volunteer Basis

Start Date: November 1, 2023

What we offer:

- 12-month online supervision and training curriculum by Patricia E. Craven, LMFT, SEP
- Monthly 2-hour consultation*
- An opportunity to work with an MFT trainee virtually or in person for 52 weeks*
- Reimbursement for 15-hour clinical supervision courses (HIB approved package) which meet BBS requirements for new supervisors.

** These meet the CAMFT requirements for their supervision certification program.*

**If you're interested in applying or for
more information, please contact:**
